

SCHOOLS WORKSHOPS FOR THE PEOPLE'S PARISH PROJECT IN CRAIGENTINNY PRIMARY SCHOOL

Fergus and Claire McNicol worked with the P5 class in Craigentenny PS over four sessions in November 2022, with the final session taking place in January 2023.

We sang well known street songs such as "The one o'clock gun" and "Mickey moose" and wrote an up to date version of "Oor wee school".

We told the story of a wee squirrel who lived in the woodland of the school playground and his adventure to Lochend Park in search of hazelnuts.

The children created their own story maps depicting local landmarks wee

squirrel  sees en route.

The children practised a range of storytelling techniques and our final session involved a relay telling of the tale.
